

City of Alpharetta Latex Paint Recycling Program

PRE-REGISTRATION INFORMATION AND INSTRUCTIONS

The City of Alpharetta Latex Paint Recycling Program is designed to assist Alpharetta residents who have unwanted but usable latex paint. Two full-scale collections for household hazardous wastes and paints are also offered annually where a full range of paints and chemicals are accepted. The Latex Recycling Program is an additional program for those who have a more immediate need to get rid of leftover latex paint.

- Date:** Drop-offs are by pre-arranged appointments during the work week.
Location: Alpharetta Public Works Department
1790 Hembree Road, Alpharetta Georgia 30009
Cost: There is no charge for acceptable materials.

Important: This collection is restricted to Alpharetta City residents who have pre-registered. (Please note that an Alpharetta mailing address does not verify that your home is within the City limits.) Regrettably, we are unable to offer this program to businesses at this time.

What do you have to do?

- Complete and submit the two-page pre-registration form (following this page) by one of the following methods:
 - Mail to Alpharetta Public Works Department, 1790 Hembree Road, Alpharetta, 30009
 - Email to tporter@alpharetta.ga.us

- You will be contacted to set up an appointment for drop-off

- Bring ONLY usable latex paint in original containers.
 - Containers must be clearly labeled and non-leaking
 - Paint must not be mixed with anything including other paint to be recyclable
 - Dried paint will not be accepted
 - A limit of 100 pounds of paint applies

Did you know?

- Paint may be dried in the can and disposed of curbside on your regular trash collection day. Be sure to leave the lids off so the driver can verify that the paint is completely dry. **A scheduled pickup of the containers with dried paint must be arranged with a Bulky Waste Pickup. Here is a link to the form to arrange this service**
