PUBLIC COMMENT CARD TO SPEAK AT CITY COUNCIL MEETINGS

Please complete and submit this card to the City Clerk if you wish to speak before City Council on an item or issue. Please note that, for items that are reflected on tonight's agenda, speaker cards will not be accepted after that item has been opened for presentation. If you are not certain if you wish to speak on an issue or item, you are encouraged to complete and turn in a speakers card. If you decide to not speak, when your name is called simply state that you do not wish to speak.

Speakers will be called to comment on an item or an issue in the order in which cards are received.

When your name is called, please come forward to the podium and state your name and address for the record. Please keep your comments brief and concise and direct all comments to Mayor and Council. As a general guideline, it is suggested that you please limit your comments to three (3) minutes if you are speaking as an individual, and five (5) minutes if you are speaking for a group.

Please PRINT all responses clearly so that we may properly call your name and issue at the proper time.
