Residential Building Applications and Forms

NOTICE

This document is a summary of various federal, state, county, and city building construction laws and the rules and regulations. The information within is not all inclusive, nor is it designed to be, but rather presents a general overview of construction laws and processes relative to planning, permitting, constructing, inspecting, and completing a residential construction project in the City.

For the purpose of this document, the following shall apply to the use of words and phrases: Words used in present tense include future tense. Words used in singular tense include plural tense. The word "he" also means "she." The words "shall" or "must" are always mandatory. The words "may" or "can" are permissive. The word "and" indicates all conditions, requirements, or factors so connected must be met or fulfilled, whereas the word "or" indicates that at least one condition, requirement, or factor so connected must be met. The word "structure" means anything that is built and includes the word "building." The word "person" means any individual, corporation, association, firm, partnership or other legal entity. The word "permit" means written governmental permission issued by an authorized official, empowering the holder thereof to do some act not forbidden by law, but not allowed without such authorization.

If any section, subsection, sentence, clause, or phrase of this document is for any reason held to be unconstitutional, such decision shall not effect the validity of the remaining portions of this document.

CONTRACTOR/BUILDER: _____

The 2009 International Energy Conservation Code, published by the International Codes Council, when used in conjunction with the Georgia State Supplements and Amendments, shall constitute the official Georgia State Energy Code for Buildings. This Code establishes minimum regulations for energy-efficient design, erection, construction, and/or alternation of all buildings. Compliance with this Energy Code by designers and builders is mandatory. All items shall be completely filled out.

Note: IECC Table 402.1.2, RECA Compliance Guide, and IECC Table 402.1.4 values are on the back of this form.

I/we do certify by signature below that the above permitted structure shall be built in compliance to the Georgia State Energy Code using one of the following methods:

- GA TABLE 402.1.2 INSULATION AND FENESTRATION REQUIREMENTS BY COMPONENT (Alpharetta = Climate Zone 3)
- IECC UA Trade off based on Georgia Amendment Table 402.1.6 (Climate Zone 3)
- RESCheck: Keyed to 2015 IECC
- IECC Section 405 Simulated Performance Alternative using: REMRate, Energy Gauge as approved software programs
- Energy Rating Index (ERI): R406 ERI Score _____

The following are additional requirements of the 2015 Energy Code as amended by the State of GA:

- Heating and cooling sized per ACCA Manual J and Duct Design per ACCA Manual D with R-8 Ducts in attics (required)
- A permanent certificate per GA Supplement to IECC 401.3 shall be readily accessible and shall be posted on or near the electrical distribution panel or air handler – See Georgia State Supplements and Amendments Appendix D.
- Air Barriers installed on all vertical sides of insulation, except behind tubs/showers & fireplace chase, where restrained.
- Air barrier at eaves to prevent “wind washing”

Indicate with an “x” the following applicable items:

- Pull down/disappearing stairs in conditioned space weather stripped and U-0.20 (R-5 minimum) *See GA Amendment 402.2.4*
- Scuttle Hole in conditioned space to attic U-0.05 (R-19) *See GA Amendment 402.2.4 Fenestration access hatches & doors*
- Unvented/sealed crawl space complies with Georgia State Supplements and Amendments 402.2.11 Crawl space walls

AFFIDAVIT OF HOMEOWNER ACTING AS GENERAL CONTRACTOR

Application Date: _____

PROPERTY INFORMATION

Property Street Address: _____

Name of Homeowner: _____

Work to be performed: _____

New house Basement Finish Room Addition Kitchen Remodel

Other: _____

I, homeowner of the subject property, will be acting as general contractor for work to be performed at this property. I will personally perform the work, or I will directly hire and pay the individual trades to perform the work, including framing, electrical, mechanical, plumbing, roofing, siding, drywall, painting, etc., as applicable. I will be personally providing direct supervision and management of all trades.

I will not hire or contract with any unlicensed individual or company to obtain, manage, or supervise the construction trades people because I understand that any person performing these management tasks must have a contractor's license under Georgia Law. I also recognize that if I contract with an unlicensed individual or company to perform work which, in Georgia, requires a contractor's license, such contract may be unenforceable under Georgia law. I further understand that knowingly representing that I will be homeowner/contractor for the purposes of obtaining a building permit, when in fact I will not be personally performing or managing the work, is a misdemeanor and may result in fines or other remedies of law.

I will personally perform the work, or I will directly hire and pay the following individuals or companies (as applicable), as itemized on the attached schedule.

I, the undersigned, being the contractor as either an individual or a qualifying agent, do hereby affirm and swear, under oath, that all information on this form and on accompanying documents are true and correct.
