RE: FINANCIAL MANAGEMENT REPORTS AS OF OCTOBER 31, 2023

The documents contained herein represent the financial management reports for the City of Alpharetta ("city") as of the period ending October 31, 2023.

The Finance Department is currently in the process of closing the accounting books for Fiscal Year 2023 (FY 2023). The figures represented herein will change in accordance with accounting entries made during the closing process.

General Fund

Revenue: The following section pertains to information detailed in the attached Revenue Summary and Collection Comparison report. FY 2024 revenues are budgeted at \$90 million (net of Carryforward Fund Balance totaling \$11 million). As of October 31, 2023, actual revenue collections total 24% or \$22 million. Trends (property digest valuations and collection trends) through the 1st quarter indicate a minor gain over budget and will be updated in future quarters as more trend data becomes available.

Revenue collection percentages are typically low for the first several months of the fiscal year due to various factors including: (a) property tax billings mailed in October that carry a December due date; and (b) accrual entries aimed at ensuring the city's revenues accurately reflect the period in which they were earned.

The October 1st billing for General Fund property taxes totals roughly \$31.4 million. Property taxes for public utilities will occur in Spring 2024 and is estimated at an additional \$445,000. Historically, the City collects between 98% and 99% of billed property taxes within the fiscal year. The current budget for property taxes, including the \$1.8 million in additional property tax revenue that was part of a budget amendment approved in August, totals \$30.6 million and represents 96% of the initial billing. Further adjustments for property tax estimates will be held pending data on appeals and adjustments.

Motor Vehicle Title Fee collections is trending 10% higher than FY 2023 (\$3.5 million). Collection estimates for FY 2024 total \$3.8 million (\$275,000 greater than budget).

MAYOR Jim Gilvin

MAYOR PRO TEM Dan Merkel

COUNCIL MEMBERS JASON BINDER DOUGLAS J. DERITO JOHN HIPES DONALD F. MITCHELL BRIAN WILL

CITY ADMINISTRATOR Chris Lagerbloom Estimated growth in Franchise Tax collections is primarily related to the electricity tax component. Specifically, the FY 2024 budget for Franchise Tax Electricity represents a growth of 2% over FY 2023 actuals (\$5.1 million). With the understanding that GA Power has implemented recent rate increases approximating 12% (June 2023; fuel cost adj.) and planned rate increases in excess of 4% for January 2024, staff believes the revenue for FY 2024 will exceed budgetary estimates and conservatively forecasts collections of \$5.4 million (\$150,000 greater than budget).

Insurance Premium Tax collections total \$5.8 million in FY 2024 and represent an 8% increase (\$287,570 greater than budget) over FY 2023 collections of \$5.4 million.

Building Permit Fee collections is trending -44% lower than FY 2023 (\$2.3 million). This revenue source is non-standard in that it experiences high variability dependent upon development/construction trends occurring within the City. The prior year included several large developments (e.g., Lakeview Park Multifamily development) that are driving the year-to-date variance. While the revenue collection trend may change moving forward, staff felt it was prudent to tentatively adjust the FY 2024 collection estimate to \$1.7 million (\$285,000 less than budget) pending further trend data.

Collections for Municipal Court Fines is trending 22% lower than FY 2023. Current estimates for FY 2024 total \$1.9 million which is \$140,000 less than budget.

Recreation/Special Event fee collections is trending -1% lower than FY 2023 and -4% lower compared to FY 2024 budget estimates. Program revenues trailing prior-year collections include Non-Resident Fees and Athletics Fees. These trends are partially offset through several programs experiencing gains compared to prior-year collections including Aquatics, Art Center, Adult Activity Center, etc. These trends are still early and will vary as we get closer to the summer registration period.

Hotel/Motel tax collections is discussed within the Special Revenue Funds section of this letter.

Expenditures: The following section pertains to information detailed in the attached Expenditure Summary by Department (expenditure rollup by department) and Expenditure Summary by Category (expenditure rollup by account) reports. As of October 31, 2023, city departments (not including General Government¹) have encumbered and expensed 39%, or \$32 million, of their FY 2024 budget appropriations. Early forecasts indicate a surplus of \$3.3 million compared to budget and is primarily composed of savings at the personnel services category (e.g., approximately 34 vacancies within General Fund departments as of November 2023).

<u>Contingency:</u> The General Fund contingency balance totals \$740,223.

.

¹ General Government is utilized to account for non-operating transactions such as transfers-out to other city funds, contingency, etc.

Other Funds

The following section references information included within the attached Performance Dashboard, Grant and Capital Funds Detail Reports, GAAP Financial Statements, etc.

<u>Operating Grant Fund (Fund 220):</u> Unspent/unencumbered project appropriations total \$90,652. Remaining appropriations are set aside for a non-allocated reserve (\$55,326).

<u>Capital Grants Fund (Fund 340):</u> Unspent/unencumbered project appropriations (net) total \$631,920.

<u>General Capital Project Fund (Fund 301):</u> Unspent/unencumbered project appropriations total \$11.3 million. Remaining appropriations are set aside for a non-allocated reserve (\$3.5 million).

Stormwater Capital Fund (Fund 302): Unspent/unencumbered project appropriations total \$6.5 million. Remaining appropriations are set aside for a non-allocated reserve (\$165,636).

<u>American Rescue Act Capital Fund (Fund 303):</u> Unspent/unencumbered project appropriations total \$270,362.

<u>Series 2022 Parks Bond Fund (Fund 318):</u> Unspent/unencumbered project appropriations total \$24.1 million. Remaining appropriations are set aside for a non-allocated reserve (\$1.2 million).

<u>TSPLOST 1 Capital Project Fund (Fund 335):</u> This fund accounts for collections under the Transportation Special Local Option Sales Tax (TSPLOST) that went into effect on April 1, 2017, and expired on March 31, 2022. Unspent/unencumbered project appropriations total \$25.8 million. Remaining appropriations are set aside for a non-allocated reserve (\$1.9 million).

TSPLOST 2 Capital Project Fund (Fund 336): This fund accounts for collections under the Transportation Special Local Option Sales Tax (TSPLOST) that went into effect on April 1, 2022. Appropriated funding totals \$52 million and represents Tier-1 project funding.

Tier-1 projects are funded at 85% of forecasted revenue collections over the life of the 5-year tax. For comparison purposes, TSPLOST 1 collections have trended at over 90% of forecasted revenue collections. Life-to-date collections for TSPLOST 2 have trended at 120% of the original forecasted revenue estimates which indicates a strong likelihood of funding Tier-2/3 projects in addition to Tier-1.

Unspent/unencumbered project appropriations total \$27.6 million. Remaining appropriations are set aside for a non-allocated reserve (\$381,095).

<u>Hotel/Motel Fund:</u> FY 2024 revenues are budgeted at \$9.6 million (net of carryforward fund balance totaling \$962,046) with budgeted disbursements as follows: Alpharetta Convention & Visitor's Bureau (43.75% or \$4.2 million); Facilities (18.75% and a portion of the carryforward fund balance detailed above; \$1.4 million for debt service on the Series 2016 Convention Center Bonds; \$15,070 for eligible initiatives such as Wills Park Master Plan Improvements; with residual funding for bond/debt service reserve); and the city (37.5% or \$3.6 million).

Specifically, Debt Service Reserve funding (Convention Center Bonds) from the Facilities portion of the tax totals \$1.3 million. This reserve figure dipped below the \$1.5 million target level in 2019 due to the impact of the COVID-19 pandemic on the hospitality industry and is being replenished as revenues within the Fund continue strengthening.

Hotel tax collections dipped -6% in November (compared to November 2022) and has resulted in a year-to-date revenue trend that is flat compared to the same time-period in FY 2023. Based on these trends, the revenue estimate for FY 2024 has been adjusted down slightly (\$100,000 reduction). The estimate for FY 2024 will be revisited as additional collection data becomes available.

⁽¹⁾ Carryforward Fund Balance represents cash available at the end of the prior fiscal year that is programmed into the current fiscal year budget. As this account represents cash already received, there will not be actual collections.

⁽²⁾ Innovation Center utilities are being funded by the Alpharetta Technology commission (ATC) on a reimbursement basis. As such, revenues and/or expenses will outpace budget at month end due to the billing/reimbursement delay.
