# CAMPER CODE OF CONDUCT

*(Please review with your child)*

It is our hope that every child, participating in our program, will have a positive experience that will last a lifetime. To help everyone get the most out of their camp experience, we have set up a list of ground rules to help parents and children understand what we expect at camp.

Camp has four basic rules that we explain to the children. We have these rules so that everyone can be assured of a positive experience.

- **Respect yourself, others and property.** Abusiveness toward others or using inappropriate language, fighting, stealing, etc. is not allowed. It also includes property damage, graffiti or vandalism.
- **Participate in camp activities.** It is camp's responsibility to know where campers are always. We encourage campers to try all activities unless excused by staff. Campers are always supervised and cannot be left alone.
- **Follow directions.** There are a lot of fun things to do at camp, but every activity has rules so we can operate the activity safely and appropriately. We ask the campers to follow staff direction during these activities.
- **No put-downs.** An example of this would include name-calling, racial slurs or inappropriate practical jokes.

If we do have a problem with inappropriate behavior, the following is Wills Park Summer Day Camp behavior policy:

- **First Offense:** Camper will be given verbal warning.
- **Second Offense:** Camper will be put in timeout with an explanation and discussion on what is causing the problem. If the counselor needs help, the Director or Assistant Director will work with the child to help avoid further problems. We will also discuss with parents to see if any suggestions can be made in order to deter the inappropriate behavior.
- **After two (2) timeouts** have occurred, the Director/Assistant Director will suspend the child from camp for the remainder of the day and will contact the parent/guardian to pick them up immediately. Campers suspended will remain under the supervision of the Director/Assistant Director until a parent/guardian arrives.
- **After two (2) suspensions** from camp, the participant will be removed from the program for the rest of the session and there will be no refund for the remainder of that session. Attendance in camp for future sessions will be discussed with parents/guardians. Based on the Director/Assistant Director's input, the Supervisor will make the final determination of the whether the camper will return to the program.
- **In the event of a major offense or the camper physically injures another camper or counselor,** they will immediately be removed from the camp for the remainder of the summer. There will be no refund for the week the camper is attending; refunds for remaining weeks will be decided by the Supervisor, dependent upon the ability to fill the camper's place with another camper on a wait list. Because of the 1:10 staff to child ratio behavior that requires one on one attention on an hourly or daily basis cannot be tolerated. Such behavior will be treated as a major offense and can result in dismissal from the program.
- **The Supervisor reserves the right to remove a child from camp at any time in the event the campers and counselor's safety and well-being are compromised.**

It is our hope that each child will go home with great memories of camp. These rules are designed to protect the camper's experience so that one unruly child won't ruin the experience for the rest. If you have any questions or comments, please feel free to call. It is our mission to provide a quality experience for everyone.

**I understand and accept that my child must abide by the Camper Code of Conduct**
